The Amīr/National President
Jamā‘at Ahmadiyya,

.....

Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On 21st December 2012, Hadrat Khalifatul Masih V ایده اللہ تعالیٰ delivered the Friday Sermon at Baitul Futuh Mosque, London.

In his sermon Hudūr ایده اللہ تعالیٰ described the Divine blessings and help that he received during his recent visit to Belgium and Germany. To be truly grateful for these blessings, Hudūr ایده اللہ تعالیٰ advised the Jama‘at to spread the message of Islam in a planned and effective manner, throughout the world. God Almighty has promised even more blessings on those who are grateful.

Hudūr ایده اللہ تعالیٰ said that one can witness the signs of His help and succour from the deserts of Africa to the cities and from the forums of Europe and America to the towns and cities across Asia.

Describing his address to the European Parliament, Hudūr ایده اللہ تعالیٰ mentioned the impressions of the members and delegates from France, Spain, Germany, Switzerland, Norway, Malta and other European countries. They were deeply impressed by the address. A majority of them opined that the address had removed their misgivings and doubts about Islām and that they had come to know about this beautiful message of international peace, love and brotherhood. Jama‘at’s motto of ‘Love for All and Hatred for None’ should be spread throughout the world and that ‘the Khalīfa of Ahmadiyyat is truly the torch-bearer of international peace’.

Hudūr ایده اللہ تعالیٰ said that the audience, which comprised of parliamentarians, politicians, lawyers, media persons etc., was more than 200, and the hall having been filled up to capacity, many heard the address from outside the hall. They appreciated the arrangements and remarked that the attendance was more than the usual attendance in the parliament.

Hudūr ایده اللہ تعالیٰ said that many known TV channels and thousands of newspaper reports covered this event and spread the message. CNN also published a quote on their website. German Papers also gave wide coverage to the message of Ahmadiyyat, which dispelled the fear and misgivings about Islām.

Hudūr ایده اللہ تعالیٰ also described in some detail about his visit to Germany, like the inauguration of the Minaret of Bait-ur-Rashid Mosque which dignitaries from many walks of life attended. Moreover two mosques and the building of Jāmi‘a Ahmadiyya were also inaugurated. The visitors were impressed by his address which was meant for the students. But those present too were deeply impressed and described Hudūr ایده اللہ تعالیٰ to be so practical and realistic.

Hudūr ایدہ اللہ تعالیٰ said that this event also received wide coverage. The press also carried the pictures of the building and said that this was where the Imams were being produced and taught to promote fraternal ties and spread the message of peace and brotherhood.

At the end of the sermon, Hudūr ایدہ اللہ تعالیٰ read out an excerpt from the writings of the Promised Messiah about being grateful and said that we must show this through fear of God and righteousness. May Allāh enable us to do so, and grant success to our endeavours and bless us with His blessings. Amin.

Please convey these guidelines given by Hudūr ایدہ اللہ تعالیٰ to members of your Jama'at.

Jazākumullāh.

Wassalām,

(Mansoor Ahmad Khan)
